Reminder regarding our Emergency Transportation Services

We understand that Berkeley Rides for Seniors and Disabled has reduced the number of vouchers available this year. To help meet your needs, we want to remind you that EDI's emergency transportation is still available within Berkeley and to nearby medical facilities.

When You Can Use EDI's Emergency Transportation Service:

- Medical appointments (including Kaiser Oakland, Highland Hospital, and the area commonly known as Pill Hill in Oakland)
- Emergency room visits
- Urgent grocery or pharmacy trips

When You Can Use EDI's Emergency Transportation Service:

- Entertainment (movies, sporting events)
- Personal care (hair appointments)
- Social visits
- Dining out or other non-essential activities

Cost and Savings:

The standard co-pay is \$15 per ride. If cost is a concern, you may qualify for our low co-pay program, which reduces your rate to just \$7.50 per ride.

Need Help or Have Questions?

Please contact us at 510-845-5513.

Apply online for reduced copay: [Apply for Reduced Copayments](#)
